## WORK EXPERIENCE

### Freelance UI/UX Designer

**2019-Present**

HYA Media | NY

I am with this Web Design Agency for 3 years now. I am handling multiple clients/projects which is more on UI/UX, Graphic, & Logo Design.

### UI/UX Designer & Wordpress Dev

**2020-2022**

PDP Solutions, Inc. | PH

They have a Web Application but the aesthetics looks really bad so they hired me to redesign the whole Web App, starting from logos, icons and also the best possible layout for UX experience. I took also incharge to redesign and develop all of their company business' websites.

### UI/UX Designer

**2017-2020**

Spring Valley Tech Corp | PH

This is a startup company from the country side, the goal of Spring Valley is to create innovations, or inventions by creating digital applications/softwares. My job is to create the best possible UI/UX for all the Web Apps we will be building.
